ANAEMIA AND WEAKNESS

Constantly Being Cured By Vinol—An Interesting Case Reported.

GREENSBORO, N. C.—"I would not take a thousand dollars for the good Vinol has done me.

"I was told that cod liver oil was the medicine I needed for poor blood and my weakened condition. I could not take the greasy mixture, but when my druggist explained to me that Vinol contained all the medicinal curative elements of cod liver oil, without the grease, and tonic iron added, I made up my mind that Vinol was the medicine for me.

"I tried it, and today am strong and well.—Mrs. J. T. Snider." (We guarantee this testimonial to be genuine.)

Vinol is a specific for impure, impoverished blood and it is the greatest tonic we know of.

We sell Vinol always with the understanding that if the purchaser is not satisfied with the result it gives we will cheerfully refund his money. That seems fair. John C. Peacor, Maysville, Ky.

LECTURE COURSE

Of Four Numbers and of the Highest Order to Be Given By Local Council Knights of Columbus

One of the objects of the Knights of Columbus is the promotion of education. That this aim is not an empty boast will be admitted when it is known that the National Council of the Knights of Columbus has subscribed half a million dollars to the Catholic University at Washington, that sum being the largest which in the history of the world has ever been given by any benevolent organization to the cause of education.

The true spirit of this aim of the Order has been caught up by the local Council, Knights of Columbus, who for the season of 1910-11 have perfected a lecture course of the highest order, made up of the very best talent the country affords. To attain this end, the personal of several Lyceum Bureaus was carefully studied and instead of taking all of the attractions of one Lyceum, whereby at times inferior attractions get in, only stellar attractions of each Lyceum were selected. The price paid by the local Knights for these choice entertainments is high, but in the opinion of the Maysville Council, Knights of Columbus, the best is none too good for Maysville.

The first entertainment will be held on December 9th, 1910, when Mr. James Francis O'Donnell, the eminent monologue actor, who for fifteen years has been in the limelight of the American platform, will appear in Wilson Barrett's "The Sign of the Cross," a thrilling tale of the persecution of the early Christians under the reign of Nero, wherein Mr. O'Donnell assumes with rare histrionic ability eighteen distinct speaking characters. This remarkable power of impersonation is so eminently possessed by Mr. O'Donnell as to make the audience live again amidst the stirring scenes of Nero's persecution.

Next following the "Sign of the Cross" will appear that eminent Shakespearian scholar, author and orator of international fame, Dr. James H. Cotter, A. M., L. D., who will pre-

sent "The Merchant of Venice," a lecture which has never failed to whet the appetite for a more intimate acquaintance with the rich mental pabulum which abounds in the works of Shakespeare. As a keen discernor of the beauties of Shakespeare, Dr. Cotter is second to no contemporary; as an orator, he ranks pre-eminently among the first.

A musical entertainment will be the third of the series. The musicians which will be presented by the Knights of Columbus will be high class artists in their respective lines and will not fail to delight their hearers as they have in every public appearance.

The fourth and last of the entertainments will be furnished by Prof. Joseph O'Meara of the National School of Music and Dramatic Art of Cincinnati, O., whose appearances everywhere have met with heartiest enthusiasm and highest endorsement. Prof. O'Meara, who so successfully makes oratory and dramatic expression a life study, will appear in repertoire, presenting a program so diversified as to present a wide field for the play of his superior talent.

These entertainments will be open to the general public and a minimum fee for admission

will be charged. They will add not a little to the season's intellectual pleasures of our city, which, be it said to its credit, is fast attaining a standing as a community of lecture lovers.

SOMNAMBULIST

Walks in His Sleep and Falls From A Third-Story Window

Henry Kaib of Augusta, guest at the Central Hotel, occupied a room on the third floor last night. About 1 o'clock this morning, while in a somnambulist state, he leaped out of a window to a court some thirty feet below. His fall was broken by being caught on several wires in line of his descent, else the result might have been fatal. Besides being rendered unconscious for a time his injuries consist of a bad scalp wound and lacerated hand.

He was removed to Wilson Hospital, where he is reported this morning as getting along in a satisfactory manner.

He said he was dreaming that some one was after him, and to evade his pursuer he leaped out of the window.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

GROWSOME FIND

Yesterday afternoon Mr. Henry M. Williams was strolling along the C. and O. track, and when he had reached a point several hundred yards East of Limestone street he ran afoul of a growsome find. It was a human foot and part of a leg from the knee down. The severed member was lying close to the rail where it had dropped after becoming disengaged in the revolving wheel of the rapidly moving car. The dismembered leg was undoubtedly that of Albert Kennedy, who met an untimely death Wednesday evening in front street by being ground under the wheels of the 5:40 C. and O. paper train. The distance from where the accident occurred and where the limb was found is a quarter of a mile. Mr. Williams notified the authorities of the find.

A Clean Man

Outside cleanliness is less than half the battle. A man may scrub himself a dozen times a day, and still be unclean. Good health means cleanliness not only outside, but inside. It means a clean stomach, clean bowels, clean blood, a clean liver, and new, clean, healthy tissues. The man who is clean in this way will look it and act it. He will work with energy and think clean, clear, healthy thoughts.

He will never be troubled with liver, lung, stomach or blood disorders. Dyspepsia and indigestion originate in unclean stomachs. Blood diseases are found where there is unclean blood. Consumption and bronchitis mean unclean lungs.

Dr. Pierce's Golden Medical Discovery

prevents these diseases. It makes a man's insides clean and healthy. It cleans the digestive organs, makes pure, clean blood, and clean, healthy flesh.

It restores tone to the nervous system, and cures nervous exhaustion and prostration. It contains no alcohol or habit-forming drugs. Constipation is the most unclean uncleanliness. Dr. Pierce's Pleasant Pellets cure it. They never gripe. Easy to take as candy.

and logical, because he can afford it. As to JOHN'S Democracy, that's another thing. He is a sound money man, and, like all other American millionaires, has piled up his vast fortune under the wise and beneficent laws enacted by the Republican party. He believed in "gold bonds" while the "dancing dervishers" of Democracy were howling for "free silver" and all the other crazy isms in BRYAN'S repertoire. None of that nonsense for thrifty JOHN R. If Mister MACK goes to the Senate it will be an entertaining spectacle to watch which leg he stands on. As to being a "straight-out Democrat," don't you believe it. His money is with the "interests," and it's safe to say that's where his vote would be in the Senate. It's a situation that's interesting to all.

WORTH WEIGHT IN GOLD

Lady Learned About Cardui, The Woman's Tonic and is Now Enthusiastic in its Praise.

Mount Pleasant, Tenn.—"Cardui is all you claim for it, and more," writes Mrs. M. E. Rail, of this place.

"I was a great sufferer for 2 years and was very weak, but I learned about Cardui, and decided to try it. Now I am in perfect health.

"My daughter, when changing into womanhood, got in very bad health. I gave her Cardui and now she enjoys good health.

"Cardui is worth its weight in gold. I recommend it for young and old."

Being composed exclusively of harmless vegetable ingredients, with a mild and gentle medicinal action, Cardui is the best medicine for weak, sick girls and women.

It has no harsh, powerful, near-poisonous action, like some of the strong minerals and drugs, but helps nature to perform a cure in a natural easy way. Try Cardui.

A WOMAN'S APPEAL

To all knowing sufferers of rheumatism, whether muscular or of the joints, sciatica, lumbago, backache, pains in the kidneys or neuralgia, to write to her for a home treatment which has repeatedly cured all of these troubles. She feels it her duty to send it to all sufferers FREE. You cure yourself at home, as thousands will testify—no change of climate being necessary. This simple discovery banishes uric acid from the blood, loosens the stiffened joints, purifies the blood and brightens the eyes, giving elasticity and tone to the whole system. If the above interests you, for proof address Mrs. M. SUMMERS, Box R, South Bend, Ind.

Mr. Charles Wood, an employe at Hall's Plow Works, met with a painful accident last afternoon. While working a trip hammer the ponderous machine came down on his hand and mangled the member in a fearful manner. He will be laid up for some time.

YOU CANNOT GET AWAY From the fact that the best argument in favor of Magnolia and Limestone Flour is its continued use by many of the best housekeepers in town. If it wasn't better than ordinary flours they wouldn't continue to buy and bake with it. Try a sack yourself. You won't need urging to buy it regularly afterwards.
